Luis Buñuel, Writer: Belle de jour. The father of cinematic Surrealism and one of the most original directors in the history of the film medium, Luis Buñuel was given a strict Jesuit education (which sowed the seeds of his obsession with both religion and subversive behavior), and subsequently moved to Madrid to study at the university there, where his close friends included ...

In aircraft, an ejection seat or ejector seat is a system designed to rescue the pilot or other crew of an aircraft (usually military) in an emergency. In most designs, the seat is propelled out of the aircraft by an explosive charge or rocket motor, carrying the pilot with it. The concept of an ejectable escape crew capsule has also been tried. Once clear of the aircraft, the ejection seat ...
