Reading B2: World of Work. Getting a lot of practice in reading slightly more challenging texts is ESSENTIAL in B2. If students are not confident readers, they get off to a bad start, and often struggle for time. This was previously a very difficult listening for B2 level, which we’ve converted into a reading activity.

Interactive World-of-Work Map ACT's World-of-Work Map graphically shows how occupations relate to each other based on work tasks. Use the link below to explore the different careers!
In my book, Reading the World, after considering the many images often used to try to encapsulate what practitioners do when they move a story from one language to another, I reached the conclusion that reading a translation was akin to borrowing another person’s eyes. That person, I felt, should be credited as co-creator of the work – something that the #namethetranslator campaign has done a lot to encourage.

The World of Work Today. The world is changing faster than ever before. Things are not the same as they were 5 or 10 years ago and so is the world of work which significantly shifted not only as a result of the recession, but also because of the technology development, digital advances and the new expectations of the younger generations of workers. The way we produce and collaborate today remodeled our workplace, and with that our lives.
