Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general.

### The Encyclopedia Of Recreational Diving

While the Encyclopedia of Recreational Diving is a very informative book, it is not the "heavy" reading that one might expect from a PADI manual. The terminology and concepts covered in this book nicely supplement what one learns throughout the recreational diving classes -- novice open water dives, advanced techniques, underwater navigation, and rescue techniques.

### **Encyclopedia of Recreational Diving | PADI IDC News**

Recreational diving or sport diving is diving for the purpose of leisure and enjoyment, usually when using scuba equipment. The term "recreational diving" may also be used in contradistinction to "technical diving", a more demanding aspect of recreational diving which requires greater levels of training, experience and equipment to compensate for the more hazardous conditions associated with the disciplines.
