In the United States, there are both federal and state laws. The 50 states of the United States are allowed by the federal constitution to formulate and implement their own laws. Some of these laws are rarely implemented and are even considered weird, controversial and obnoxious. While some of these laws are outlandish and could rarely be broken nonchalantly by the average citizen, some laws refer to behavior so commonplace that many could be breaking the law without even noticing!

In the Latter Day Saint movement, the United Order was one of several 19th-century church collectivist programs. Early versions of the Order beginning in 1831 attempted to fully implement the law of consecration, a form of Christian communalism, modeled after the New Testament church which had "all things in common". These early versions ended after a few years. Later versions within Mormonism, primarily in the Utah Territory, implemented less-ambitious cooperative programs, many of which were v
