If you're looking for out-of-print books in different languages and formats, check out this non-profit digital library. The Internet Archive is a great go-to if you want access to historical and academic books.

28 Sat Math Lessons To
This program was so helpful. I haven't taken a math course in 20 years and needed to refresh before taking the Accuplacer and going back to school. The test went great. I got a 292/300. It was so great to have access to mathhelp to refresh my long dormant math skills. I found the lessons clear and easy to understand.
