A Bridge To Light Study

The "bridge" element in the title reflects the aim of all Bridgeway books - to bridge two gaps at once - the gap between the word of the Bible and the world of today; and the gap between technical reference works and the ordinary reader. Bridgeway Books are easy to read and especially suited to those who use English as a second language.

A suspension bridge is a type of bridge in which the deck is hung below suspension cables on vertical suspenders. The first modern examples of this type of bridge were built in the early 1800s. Simple suspension bridges, which lack vertical suspenders, have a long history in many mountainous parts of the world. Besides the bridge type most commonly called suspension bridges, covered in this ...
