22 Business English Expressions You Can't Live Without (And how to use them)

Silent Letter 'A': a pronunciation guide - English Digital ...

The Japanese language has roughly half as many sounds as English, but this doesn't prevent it from eagerly soaking up vast quantities of Western words and expressions. This process is uniquely facilitated by the existence of the katakana phonetic script, which basically compresses foreign words into the same limited range of sounds available for native ones.

Audio Guide to British English Pronunciation ...

To have great English pronunciation, you need to be aware of new sounds, nuances, different intonations, the tonic accent, and the rhythm of the language. Academic methods generally focus too much on written skills and not enough on speaking and pronunciation. But English pronunciation and phonetics are incredibly important for being understood ...

The Ultimate English Pronunciation Guide - MosaLingua

Pronunciation in the dictionary. The pronunciations given are those of younger speakers of 'mainstream' or 'unmarked' Received Pronunciation (British English) and 'General' or 'Network' American (American English). These models represent accents that are widely taught and easily recognized as British or American.

Pronunciation guide for English and Academic English ...

Clear English Pronunciation provides students with the tools to effectively communicate in English without centring solely on native-speaker pronunciation models. The focus of the book is on individual pronunciation targets rather than a one-size-fits-all approach. Divided into four sections, each featuring detailed articulatory explanations, sample sentences, and recordings to help learners ...
