You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Introduction The story is told of a man who was drafted into the armed forces. Wherever he went he would stoop to pick up any piece of paper which was on the ground. And every time he picked up a piece of paper, he would look at it, shake his head no, and then throw it away. It didn't take long for his superiors to become aware of his actions and to determine to find the underlying cause.
