Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Paint from the top of the wall to the bottom of the wall so that you paint over any drips or mistakes. Create interesting textures by using sponging or rag-rolling painting techniques. Cover your paint containers while you are applying the paint to prevent evaporation of the solvent and help maintain the spreadable consistency of your paint.
