Bmw F10 520d Engine

The sixth generation of the BMW 5 Series consists of the BMW F10, BMW F11 and BMW F07 executive cars. The F10/F11/F07 was produced from 2009 to 2017 and is often collectively referred to as the F10. The 'Gran Turismo' version is the first and only 5 Series to be produced in a fastback body style. The F10 generation is also the first 5 Series to offer a hybrid drivetrain, a turbocharged V8 engine, an 8-speed automatic transmission, a dual-clutch transmission, active rear-wheel ...

A typical BMW 520d engine replacement can take up to 20 hours to complete and involves removing the old engine, disconnecting components and then re-connecting them to the new engine. Specialist tools and equipment is often required to perform the task and it is, therefore, advisable to consult a qualified mechanic to ensure that the job is done correctly.

BMW 5 Series Complete Engines | eBay

You don't mention the year of your F11 525d but the oil that's recommended for my own 2014 F11 520d is Castrol Edge FST Titanium 0w 30 or any oil that meets the standard BMW Longlife 04, don't put cheap oil in or you stand the risk of ruining the DPF (diesel particulate filter) only use Oil that's suitable for diesels fitted with DPF.
