Does anyone have audiobooks for any books? Although there are so many textbooks, just share what you know and hopefully people can benefit. Personally I'm looking for a Campbell's Biology 9th edition Audiobook. Whatever there is to share feel free too and later we'll make a more organized thread. Edit: I wrote like a moron.

Free Audiobook suggestion mega thread? : APStudents

The 9th Edition offers students a framework organized around fundamental biological themes and encourages them to analyze visual representations of data with new Visualizing the Data figures. A reorganized Chapter One emphasizes the process of science and scientific reasoning, and robust instructor resources and multimedia allow students to engage with biological concepts in a memorable way.
