Chapter 5 Flashcards | Quizlet

Guns provide cues about violence, which makes it more likely that people will respond to provocation with aggression. In any particular situation of conflict or confrontation, we have several choices. We might try to escape the situation, we might confront the person in a nonviolent way, or we might choose to use violence.

The Violence around Us: How the Social Situation ...

Fletcher's model of Situational Ethics appears reasonable upon a glance, yet given careful consideration, its flaw becomes apparent. Situational Ethics is based upon "God is Love" in I John 4:8. However, in the very next chapter we read, "This is the love of God, that we keep His commandments. And His commandments are not burdensome" (I John 5:3).

Situational Ethics - AllAboutPhilosophy.org

NIBRS includes up to 10 different offense types per incident and provides details about all of the offenders and victims, as well as the situational context of the incident. Although NIBRS may have many advantages for researchers and federal agencies, its adoption by states and law enforcement agencies has been slow.
