Composition. Musically, The Colour of Spring was a major step away from the synthesised pop of early Talk Talk, with a greater focus on guitars, pianos, and organs on such songs as "Life's What You Make It", "Living in Another World" and "Give It Up".It had a sound described by the band as much more organic than their earlier records, with the improvisation that was to dominate on their later ...

Before going into too much detail in this article, keep in mind that this is just one method of applying a sunburst guitar finish. This method is relatively easy to do for someone new to guitar finishing which is why I recommend this approach. If you are more experienced there are a number of great resources available online such as stewmac.com and you will also find any number of tutorials ...

"Any Colour You Like" is also known (and is even listed on the Dark Side guitar tablature book) as "Breathe (Second Reprise)" because the song shares the same beat (albeit somewhat funkier and uptempo) as the album's second song "Breathe". It has also nearly the same chord sequence just transposed a whole step lower from E minor to D minor. In ...

COLOUR BOX V2 PREAMP / EQ / OVERDRIVE / DISTORTION / FUZZ / DI BOX \$449. In 2012, I had a crazy idea for a tone shaping device that had never been done before in the world of guitar pedals. I wanted to create an effects pedal that replicated the hard-to-achieve sounds of "direct-in" electric guitar recordings that I loved.
