Following the specialist contributions, the conclusion draws out critical, cross-cutting lessons for improving legitimacy and advancing the rule of law, rights and democracy in sovereignty-sensitive areas of EU law. Accessible to students, this volume is an invaluable resource for researchers and scholars of EU law and politics.

### EU Law in Populist Times edited by Francesca Bignami

European law has come to influence almost all fields of national law, including administrative, constitutional, contract, criminal and even tort law. But what is the European Union? How does it work? How does it produce European law? This book uses a clear framework to guide readers through all core constitutional and substantive topics of EU law.

### European Union Law by Robert Schütze

The German Law Journal is a pioneering open-access forum for the publication of scholarship and commentary on comparative, European, and international law. It has been online and freely-available since 1999. Founded as a transatlantic newsletter on developments in German law, the Journal has secured a place among the world's leading law reviews disseminating scholarship across borders.

**New Brexit law will not 'tear up' EU trade plans - BBC News**

European antitrust policy is developed from two central rules set out in the Treaty on the Functioning of the European Union: First, Article 101 of the Treaty prohibits agreements between two or more independent market operators which restrict competition. This provision covers both horizontal agreements (between actual or potential competitors operating at the same level of the supply chain) and vertical agreements (between firms operating at different levels, i.e. agreement between a ...

"Summaries of EU legislation" are short, easy-to-understand explanations of the main legal acts passed by the EU - intended for a general, non-specialist audience. Most cover the main types of legislation passed by the EU: directives, regulations and decisions. But some cover other documents, such as international agreements.
