Cuban art is an exceptionally diverse cultural blend of African, South American, European, and North American elements, reflecting the diverse demographic makeup of the island. Cuban artists embraced European modernism, and the early part of the 20th century saw a growth in Cuban avant-garde movements, which were characterized by the mixing of modern artistic genres.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
