Excerpt from A General Sketch of Political History From the Earliest Times History is apt to present itself, not only to the youthful mind, as a haphazard collection of events grouped round a few interesting personalities, the groups of events being unconnected. A stage in advance of this is reached when we realise that English or Roman or Greek history is the story of the progress of a nation ...

CHAPTER I. Discovery—History—Shores—Rivers—Lakes—Character—Surface—Soil—Climate. " The existence of New Holland and Van Diemen's Land was not known, with anything like certainty, till long after the discovery of America, of the passage around the Cape of Good Hope, and of the islands in the Indian seas, as far as Timor, Ceram, and some parts of the coast of New Guinea.
