How Children Develop 3rd Edition
Bestseller! Since the first edition in 1987, NAEYC's book Developmentally Appropriate Practice in Early Childhood Programs has been an essential resource for the early child care field. Fully revised and expanded, the 2009 version comes with a supplementary CD containing readings on key topics, plus video examples showing developmentally appropriate practice in action.

Developmentally Appropriate Practice in Early Childhood ... - - NAEYC
more children with special needs (including those with disabilities, and those with challenging behaviors) participate in typical early childhood settings today than in the past. 5 As for teachers, the nation continues to struggle to develop and maintain a qualified teaching force. 6

Genre books become increasingly prevalent (and awesome!) as children grow, so in addition to the books above, there are myriad options of books for 7-year-olds and books for 8-year-olds. Note that many of these links lead to lists that encompass children age 6-12, so use these to introduce growing readers to even more books.
