K40 Laser Defuser Complete defense against police laser speeding tickets. If you've ever seen a police officer parked and outside of his vehicle looking at traffic with what looks like a small movie camera or binoculars, you've probably just been targeted by LIDAR (Light Detection and Ranging), also known as laser.

### Police laser jamming Laser Defusers | K40 Electronics

Utilizing a laser diode - the latest laser jamming technology - K40 evolves their police laser gun countermeasure product line by introducing the Laser Defuser Optix. 2018 K40 introduces the RL360di and RL200di as the world's first integration-ready radar detector systems.

### Learn How K40 Has Created The Best Radar Detector Since ...

K40's latest and greatest radar detector setup is the RL360di radar detector (\$1,999 for front and rear antennas) and the RL200di (\$1,499 for front antenna only). Traditionally radar detector enthusiasts stay away from K40 products since the performance tends to be subpar, despite the higher end price tag and K40's performance and speeding ticket guarantees.

### K40 RL360di Radar Detector Review - Vortex Radar

### K40 Radar Detector & Laser Jammer Info | K40 Electronics

All-in-all, it was an excellent experience and the results have been affirmed by my K40 saving me from at least three tickets already! David L. Pittsburgh, PA The Installer's Attention to detail was incredible on my very limited production BMW K1 Motorcycle and the product itself has vastly improved the enjoyment and quality of my ride-It ...

### Best Radar Detector & Laser Jammer | No More Tickets - K40

"One of the biggest improvements with the new K40 Defuser heads is that they're physically much smaller. Using a diode, you get a smaller package and a better performing jammer. Smaller heads make the heads easier to install, they fit into tighter spaces, and they're much less visible once installed on your vehicle."

### K40 Vortex Reviews and Highlights

Position the Laser Defuser around the existing rear license plate and mount it against the factory license plate bracket. Use the existing mounting bolts or K40 supplied nylon bolts to secure the Laser Defuser frame and license plate to the bracket. Page 6 1/4" screws. 5.
