It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Kitchens A Sunset Design Guide

The Sunset kitchen design guide is clear and well organized. Generally comparable to the Better Homes and Gardens guide, I found the BH&G one slightly more useful but the free Punch design software included with the Sunset guide is a definite plus if you do not already have something similar.

Kitchens: A Sunset Design Guide: Inspiration + Expert ...

When Sunset editor-in-chief Irene Edwards set out to remodel her Victorian home, the goal was to balance style with function. Because her husband cooks for a living, this is the most used space in Edwards' home. But the original configuration felt cramped, with a low ceiling and a breakfast room separated by French doors.
