hours of the day to  
sharpen the mind and  
creativity.

## **Children's Books - Target Australia**

My 9 year old daughter loves drawing and loves pokemon, so this book was an obvious choice! The book is quite thin, with not many pages. It starts off with easier pokemon and gets harder with each page. The book is "colouring

# Download Free Play School Deluxe Colouring

book" style with quite  
poor quality pages and  
no colour pictures.
