Karen is a pejorative term for a white woman perceived as entitled or demanding beyond the scope of what is normal. The term is often portrayed in memes depicting white women who use their white privilege to demand their own way. Depictions may include demanding to "speak to the manager", being racist, or sporting a particular bob cut hairstyle. A notable example was the Central Park ...

In the immediate aftermath of the war, one pressing problem was the very high number of unwanted pregnancies of rape victims. Estimates of the number of pregnancies resulting in births range from 25,000 to the Bangladeshi government's figure of 70,000, while one publication by the Centre for Reproductive Law and Policy gave a total of 250,000. A government-mandated victim relief programme was ...
