I just recently finished The Power of Charm, by Brian Tracy and Ron Arden, which was a recommendation to me from a friend of mine with excellent taste. This book is about projecting charm, and covers material similar to Carnegie's How to Win Friends and Influence People, and other famous books on the topic. The authors cover techniques to come across as attentive and appreciative, so as to charm others by giving them a feeling of importance.

What's Charm. Google dictionary defines charm in very simple terms. Very pleasant or attractive. And that's exactly how it is. Pleasant is the most important part: if you are not pleasant you can't be charming. But the upper echelons of charming are not "either/or" but are both pleasant and attractive.
