### The War Of Alien Aggression

While long-term conflict between the Northern and Southern States (mainly due to moral questions caused by slavery, as well as socio-economic disparities) was the cause of the American Civil War, the Confederate attack on Fort Sumter (April 12–14, 1861) served as casus belli for the Union. Historian David Herbert Donald (1996) concluded that President Abraham Lincoln's "repeated efforts to ...

War is an intense armed conflict between states, governments, societies, or paramilitary groups such as mercenaries, insurgents, and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.
